Mr. Bennett contacted the News Desk at the 'Fish to make an announcement about the success Bennett Truks has had since the ASR presentation of the Vector Truks. Several manufacturers will now be offering Bennetts on their boards.

Look for Bennett and others to ship Vector Truks on boards from Gravity, Pool Kings, Roe Racing, Bahne, G&S, Alva, Powell-Peralta, Z-Flex and Tunnel, beginning the first week of November. Bennett will also have boards produced under their own name. Click the graphic to see an enlarged version...
