Volcanic Promotions is in the process of building the website for the Maryhill "Festival of Speed" event on Sept 11-15, 2007. We are in need of the following information for the site and are asking for your help to make this event as high-profile to the press and mainstream media as possible:

- Athlete Pages: are you coming to race at Maryhill? We're going to feature each athlete on our site, so that your sponsors, potential sponsors, media, spectators, et cetera... can see you, read about you and know who to look for when you're streaking down the hill with bugs in your teeth! We'd like you to send us: Athlete Bios (50 words or less) Photos of athlete (Head shot & Action shot) Athlete Sponsors (Include link to logo or email) Media Materials: have you got action photos from Maryhill? Let's show the site visitors what this place is all about. We'd like you to send us: Action Photos (Please email or send link) Maryhill Photos (Please email or send link) Event Photos (Please email or send link) Videos (Please send link to video or send DVD) Sponsors: are you in the gravity sports industry? Help make this event a success by getting in early to pledge your support and to get involved in concert with the corporate and organizational sponsors we're pursuing from outside our own industry. If you're interested, contact me. More information will be available on the website in the next couple of months. We are currently looking for the following: Title Sponsor Class Sponsors Athlete Sponsors Prize donations Purse donations Please contact John Ozman

No compensation is available for the use of the videos or photos. A credit will be given on the web site for any that are used, of course!
