Silverfish is now hosting past issues of Concrete Wave along with never before offered downloads of Concrete Wave Editions. In the past we have hosted the yearly Buyers Guide but also the Concrete Wave Evolutions DVD's. Now we add to that by providing free downloads of publications that you should be reading, all of which is free.

Thanks to Concrete Wave we have 2 full editions of the magazine as well as the amazing Concrete Wave Edition Book of Warrend Bolster. All in full resolution ready to download so what are you waiting for. Click through to download.

If you like what you read you can get a subscription to Concrete Wave here .

This collection of Warren's most enduring photos is sure to inspire both the older generation of skaters and the new crop yearning for images and information about the roots of skateboarding. The Legacy of Warren Bolster presents over 130 of Bolster's greatest images and subjects. Numerous photos feature a detailed caption that provides a unique insight into what was happening behind the lens and behind the scenes. Download The Legacy Of Warren Bolster

You can also buy the hardcover copy from [tailtap.com](http://tailtap.com)
