AeroLid will be selling for approximately \$900 or lower.

Even better, we are doing a limited 10 Lid run for the awesome price of \$650. The price will only be available for the first 10 helmets only! After that the retail will be about the price listed above, perhaps slightly less. Website coming very soon.

- Carbon Fiber /Kevlar / EBX Material Construction
- Certified Downhill Ski Racing Helmet Built in
- Shipping not included, Taxes not included Available for May 15th
- Offer available at \$650 for the first 10 Lids DEADLINE for LIMITED TIME OFFER - April 15th

Click through for more details and images.

Lids made by skaters for skaters to help increase safety for skaters. Period.

Thanks for supporting in advance. Please pass this on if you wish.

we were thinking the first people to make the 50% deposit will be first to get their AeroLid. We already have 3 of 10 confirmed people. Deposits to follow.
