[Never Summer Industries was cool enough to throw us a sneak peak look at their 2008 longboard lineup and the materials they are using to produce their affordable yet high performance longboards]

Never Summer is proud to release its 2008/2009 Longboard catalog, once again bringing you ground-breaking technology that only NS can offer. Whether it's our STS or Bi-Lite fiberglass, rubber damping, exclusive P-tex sidewalls or composite materials, we refuse to cut any corners and are dedicated to meeting the needs of the most demanding riders everywhere. With an 8 deck lineup, including our new downhill board the D.H. Smoke, we have something for everyone whether you want a responsive fast cruiser, or a ditch and pool deck. You can download a PDF of the latest brochure on Silverfish now!
