Rock & Roll Downhill Skateboard–Festival in Thalgau !

This will be the third of 3 IGSA World Cups events in the month of July. Beginning on Wednesday July 23, the riders from all disciplines (Downhill Skateboard, Classic Luge, Street Luge, Gravity Bike and Dirt Surfer) have two days of training runs to learn the fastest route down the track.

Rock & Roll 2008, the fastest race of the International Gravity Sports Association (IGSA) World Cup Series takes place for the second time in Thalgau, Austria (near Salzburg). More than 120 racers from around the world are looking forward to this unique event with top speeds of 100 kph for Downhill Skateboarding and 120 kph for the luge disciplines.

For more information on the event please visit www.rockandroll08.gravitysportsaustria.org/
