The Help Save the Paskapoo Downhill Rodeo Raffle is very simply setup. After talking with some supporters and riders it was determined that the best way to get the products out to good deserving homes as well as raising the funds that SLAC so desperately required by setting up nine raffle packages. The retail value of the packages range from \$4000.00 to \$421.00 Instruction on Purchasing tickets: You will see the separate packages and their approx value and a Paypal buy button. Click on the raffle package paypal button that you want and you can order as many tickets as you like.

SLAC's goal is to sell 2000 tickets at \$10 a ticket. This will result in SLAC being brought out of debt and will allow our group to refocus it's energies into the 2009 Paskapoo Downhill Rodeo. Stats of the number of tickets sold on each package will be updated weekly on the Raffle page so you know your chances of winning. SLAC will only make available 2000 tickets in total for the entire raffle. ONCE THE ALL TICKETS ARE SOLD THE RAFFLE WILL END. SLAC projects this Raffle will sell very quickly. There is also an Early Bird Package for all people that have bought a ticket from any of the Nine available packages before Sept 4th 11:59 pm (Retail value Approx \$429 draw date Sept 5th). Drawing Procedure Oct,1st On Oct. 1st, SLAC will have a public drawing the will be broadcasted on youtube and on silverfish. This process will ensure the complete transparency of the drawing of the nine prize packages.To Purchase Raffle Tickets Please click here
