Original Skateboards is proud to announce it's first made for YouTube mini-series; "Western Sessions".

Airing each Wednesday night at 8PM, 7PM central, "Western Sessions" chronicles three friends, 12 longboards and one very small but fast VW R32 Rabbit on a journey across 17 states and three mountain ranges in search of the best longboarding locations in the United States.

Episode 1 "Thunder Snow" is now live;

Three Friends Hike up one of the tallest Mt. Passes in the US with their longboards in hopes of hitting a sick longboard session riding miles back down. Un-prepared for the worst but hoping for the best, the boys battle bad weather and altitude sickness to get the girl, or at least get back down the hill with their lives.
