Attached is the photo of the Puerto Rico Downhill Team to represent our Island at Danger Bay in Vancouver, Canada between 14 to 21 May 2009.

The boys are the best downhill skateboarders the Island has to offer. They are equiped, pumped, and ready...

There is still time for sponsorships if anyone receiving this message is interested. For those of you on the Island media, please help us achieve maximum discemination and recognition for these athletes... They have worked arduosly all year long doing fund raisers such as car washes and collection drives to get the money to travel to Vancouver.

We wish them the very best.

The riders are from left to right: Juan Rodriguez, Ian Rodriguez, Kenneth Barreto, Jose (Cholo) Abrams, Jomar Guzman, Hernan (Pito) Velez, Luis (Guzmi) Guzman, and Clifford Deida.
