Landyachtz Eh-Team episode 5: A day in Vancouver

The Lyons Urban Assault started 5 years ago and hasn't become any less ridiculous since. 11km of downhill bombing followed by 14 grueling km of cross town endurance racing. In the 5th installment of the Landyachtz Eh-Team we'll cover the legendary cross city event held by the commissioner, Bricin Lyons of Coast Longboarding.

Starting at the top of Cypress Mountain, at 4:20am, and finishing on the other side of the city at the Molson brewery, this is truly a one of a kind event. We'll check in with Landyachtz riders Meatball, Nate Lang, Liam McKenzie and Hoodie to get the inside track and hear what they think of the event. We'll also shed a little light on the controversy that developed during the so called "no-rules" event!

Making sure no one is left out and everybody gets their roll on, the 9th annual "Longboarders take over the Seawall" cruise starts the same day at 4:20 pm. We'll join in on the cruise and see what 300+ longboarders look like on the trails of downtown Vancouver.
