Restless 1st Edition Riders Choice Contestand

HAPPY HALLOWEEN

Restless was created with the belief that riders should dictate the way their board's look and feel. With this guide line in mind, we have always put forth new and innovative ways to allow riders to participate in the creation of their decks. Throughout the years, we have supported locals artists and encourage the youth. This will not change and we shall continue doing so for years to come. It's in this spirit that we are introducing today the 1st edition of the Rider's Choice.

What is the Rider's Choice? It's an annual longboard design competition. The goal of the contest is to offer anyone and everyone a platform to express themselves. Artist and riders alike will be invited to submit their artwork. A panel of Judges will then select the Top Ten best designs. The polls will open and the public will be encouraged to vote on their favourite design. The top two designs will be chosen for our next season's lines of products and promoted across the world. Ultimately, the objective is to give the power back to the riders and allow them to control what types of boards and styles of designs we bring to the market.

What's in it for me? World wide exposure and some great prizes. The First place and runner up designer shall see their efforts rewarded with some sick prize packages. We will also randomly be giving away some participation goodies, such as free decks and apparel.

1st place prize package:

- A deck with his or her design on it (truck, wheels and bearings as well)
- Cash Prize
- Pair of Prima-t shoes
- Teknical threads apparel

Runner up prize package:

- A deck with his or her design on it (truck, wheels and bearings as well)
- Pair of Prima-t shoes
- Teknical threads apparel

Participation prizes:
