Sk8trip Video Contest

You have ridden the wheels, you have experienced the stoke…now it’s your time to showcase it in the first ever Sk8trip Video Contest! Downhill, ditches, freeriding, carving, park riding, big hills, small hills, you name it…..Anything that gets you stoked on riding...We want to see it!

Starting on Monday, November 9th we will begin accepting entries for the contest.

The contest will end on Monday, December 7th any videos sent in after this date will not be accepted. So get started!

The Contest Guidelines are simple: 1.) All riders in the video must wear a helmet. 2.) The video needs to be less than 6 minutes in length 3.) Use any of the Abec 11 / Retro / Pink / subLime me wheels in your video

Videos are to be submitted on Sk8trip Contest Video thread on Silverfish, the link for this thread will be available next week on November 9th, the start of the contest.

Youtube, vimeo and any other embedded video player are suggested for the contest.

The videos will be rider judged on silverfish the week of December 7th! Videos will be judged on style, stoke, creativity and unique skating abilities. The most important thing is to have fun!

To celebrate our first video contest we will be giving away a custom one of a kind Big Red X Carveboard made especially for this contest. It features the following high performance components:

“ Canadian maple carveboard – First ever in the Big Red X lineup

6.50” (165mm) Fyre Truck hangers – Not available anywhere

50 degree Fyre Truck baseplate (front)

20 degree Fyre Truck baseplate (rear)
