The voting's done, and the people have spoken: Louis Piloni and his Vanguard take your top honors. BC longboarders takes a close second and Love by Marko Takanen takes a respectable third. These three winners will receive a copy of "Spinnin' Wheels" as well as having some of their footage edited into the Silverfish portion of the evolution DVD. BUT WAIT THERE'S MORE!!!

Not only do we invite the winners to send in their Raw Footage, but we also would like to extend the offer to all those who participated in the contest. We have 3 minutes to fill and we would like it to be as 'Fish stoked as possible.

Just upload your footage into the folder called "Raw" in the video contest folder, the footage should be raw and uncompressed so we can edit it down to the DVD.

Feel free to contact us with any questions you have. Congo-rats to all the winners and they should contact Silverfish to get their copy of the Spinnin' Wheels DVD.

Start uploading your Raw Footage!
